Re: Warrant to be Committed to the Police chief for Unlicensed Dogs

Pursuant to RSA 466:14, the City clerk is submitting a listing of owners of dogs who have failed to license or not renew their dog license pursuant to RSA 46:1. The listing is available at the Office of the City Clerk.

At the end of February of this year, we forwarded approximately 8,172 notices to owners of dogs to either renew or obtain a license.

According to our records, at this time there are 1,765 owners of 2,206 dogs still remaining to be licensed. I am requesting that the Board commit the warrant to the Chief of Police. As in prior years, this office will provide the clerical processing of the civil forfeiture notices, which require a forfeiture fee to the City in the amount of \$25.00 per dog.

Unless otherwise directed by the Board, the City Clerk or Deputy shall continue to remove from the listing those persons who should not have otherwise appeared due to death of the animal, moving, etc as deemed appropriate. Additionally, this office requests the Board authorize the City Clerk to collect reimbursement for costs associated with the Certified Mailing at an estimated \$3.00 per owner.

Following completion of the forfeiture process, summons will be prepared for police issuance and court processing for any owners outstanding who have not complied with licensing requirements and paid the forfeiture as provided by statute.

Should you have any questions, I will be available at the meeting to address them.
